

Thank you for signing up for Archicad Trial! Please check your inbox.

To access your free Archicad license, please follow the instructions below:

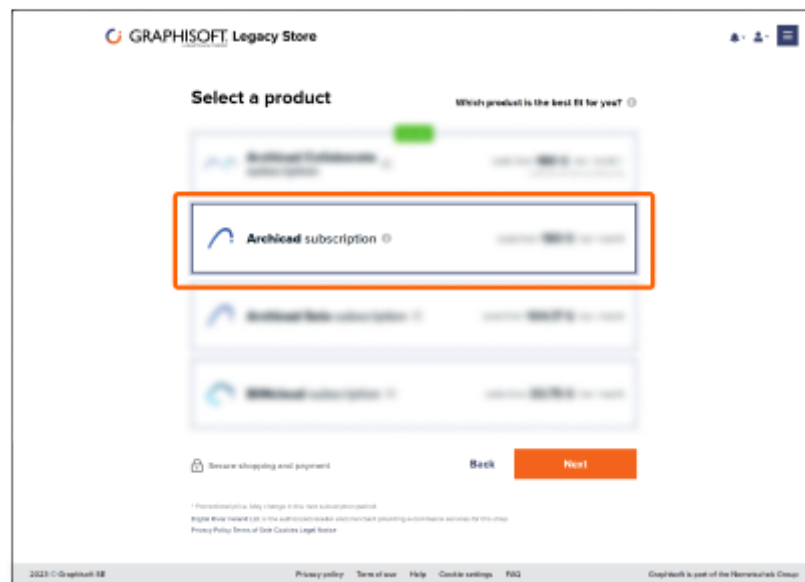

1. Check your inbox! We just sent an email to your Graphisoft ID email address, with a coupon code to unlock your free trial subscription.

2. Go to the **Graphisoft Legacy Store**

Open store in new tab

3. Sign in with your **Graphisoft ID**

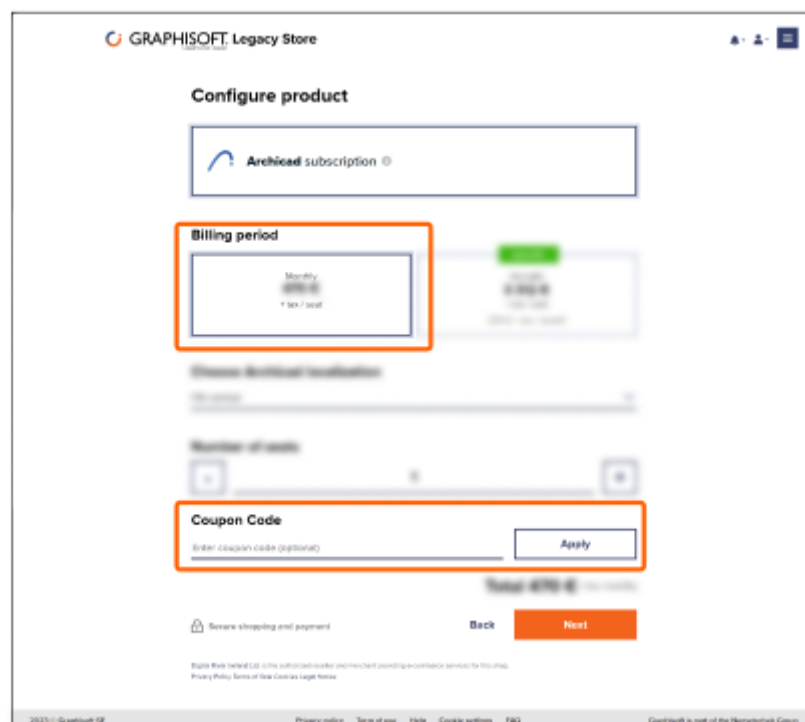

4. On the **Select a product** page:
Select Archicad subscription, then click **Next**

5. On the **Configure product** page:

- At Billing period, select **Monthly**
- At Coupon Code, enter the **coupon code** you received by email, then click **Apply**

Your total price is now shown as 0 - your trial subscription is free of charge.
Click Next.

6. Finalize your order in the Graphisoft Legacy Store:

- Add your billing information, click **Next**

- Select a Service Partner, click **Next**
- Review the details of your purchase, click **Next**
- Add your credit card information. You won't be billed until your free trial ends, and we'll remind you by email before that happens. If you don't want a paid subscription, you can cancel at any time.
- Click **Place Order**

7. Click **Download** to download Archicad

8. Install the downloaded Archicad file

Start Archicad

Upon startup, sign in with your **Graphisoft ID**

You are ready to use your Archicad Trial!

Getting started with Archicad Trial

We hope you enjoy Graphisoft solutions.
